MESSAGE FROM THE ADMINISTRATOR

Here at Beanstalk, we believe that all children have a desire to be successful at something and respond positively when this is recognized. We believe in developing the whole child; numeracy and literacy are important but art, drama, music and physical education contribute massively to the self-worth of students. They can give them the reason for being at school.

Academic achievement is important and makes a difference to the lives of children. We place value on the importance of academics but at the same time we make sure that children have appropriate pathways for learning into adult life. Our children is our hopes and dreams, together with our parents we will ensure that they are given the right opportunities to face future challenges. It is important that our students feel that their positive involvement in school life is valued and appreciated.

OUR SCHOOL PROSPECTUS

Beanstalk is a co-educational school for students aged 3yrs and above. We are an inclusive school whereby we expect both high standards of behavior and students to work to their full potential. The school is recognized for its caring environment where we help individuals develop social awareness and encourage them to gain respect for themselves and each other.

We believe in working closely with parents in order that students can develop their abilities, aptitudes and personalities to the full. Our individual approach insures that we are fully aware of the current strengths, as well as areas for improvement, for our students. Working in partnership with parents ensures high standards of quality attainment, in both an academic and a social context. Our aim is for our students to leave Beanstalk with the confidence to articulate what they believe in and skills that can enable them to be successful in their chosen future paths and go out into the community and be ambassadors for what the school believes in.

VISION

Our vision is to create a community of empowered, innovative and agile learners who achieve and contribute within and beyond the school.

OUR MOTTO : ONWARD TO SUCCESS

THE CURRICULUM

We follow the XSEED curriculum which is planned as a whole, with the aim of providing a broad, balanced and relevant programme of study for all. We strive to foster an enthusiasm for learning, with the understanding that continued learning is important to live in the modern world. A wide range of teaching and learning strategies are used dependent upon the age and stage of learning of the student. Information technology is integrated into the curriculum and is used to support and extend learning.

INSIDE THE CLASSROOM

We use methods that encourage and develop individual study skills, which includes experimentation and play-based methods. Tasks are also set for students as homework which can be done individually and which sometimes need the parents involvement.

As a school, we realize how important it is to recognize the achievements of children in as many different ways as possible. Education is not just a process of imparting knowledge for a high profiled job but a lifelong process of developing the moral and ethical values that makes our children responsible citizens of the world.

Beanstalk serves the local community and gives certainty to those who need it. We are a caring school whereby students enjoy the experience but at the same time we set high expectations. We believe in creating a culture whereby students can learn to be successful.

OUTSIDE THE CLASSROOM

We offer many and varied extra-curricular activities in which students can participate. Visits to places of interest such as museums, theatres, industries etc take place regularly and are an integral part of the curriculum delivery.

ASSESSMENT

A detailed report will be sent home twice a year. Parents are invited to attend Parent-Teacher Meetings (PTM) at school to discuss their child's progress. Students in early programme are assessed daily by their homeroom teacher whereas the students in primary section are assessed with separate tests and exams.

ABSENCE AND LEAVE

- It is very important that students attend school regularly and arrive on time. School gate will be closed at 9:00 A.M.
- Parents are requested to apply for leaves incase of absence and provide medical certificate if absent for more than 3 days.
- Students are strictly forbidden to leave the school premises during school hours without permission.

ADMISSIONS

- Admissions for Early Programme (EP) will be on first come first basis.
- Entrance test will be conducted from Grade 1 and above.
- There will be no refund once admission is done and full tuition fees for one academic year will be charged.

SCHOOL UNIFORM

- Summer Uniform* - Green Polo Shirt
Black skirt/Black shorts
Sports/running shoes (No Floaters Allowed)
